Sr. UI/UX Designer

About Outshade

Outshade is a renowned web and mobile app development company, serving clients across Asia, Europe, the Middle East, and North America. We specialize in creating exceptional digital experiences that empower businesses to succeed in today's competitive market. Our team of talented professionals is dedicated to innovation, creativity, and client satisfaction, ensuring the delivery of high-quality projects.

Position Overview

Outshade is seeking a skilled and passionate UI/UX Designer to join our dynamic team. This position offers an exciting opportunity for individuals with a strong background in user interface and user experience design to contribute to the creation of innovative and intuitive digital solutions. The ideal candidate should have a keen eye for detail, excellent problem-solving skills, and a commitment to delivering exceptional designs. This is a full-time position, and the candidate should be willing to commit to a minimum duration of 1 year with Outshade.

Key Responsibilities

- Collaborate with the design team to understand project requirements and user needs.
- Conduct user research, usability testing, and competitor analysis to inform design decisions.
- Create wireframes, prototypes, and mockups to effectively communicate design concepts and user interactions.
- Design intuitive and visually appealing user interfaces for web and mobile applications.
- Ensure consistency and coherence across all digital touchpoints, including websites and mobile apps.
- Iterate on designs based on feedback, user testing, and emerging industry trends.
- Work closely with developers to ensure design feasibility and implementation of UI/UX best practices.
- Stay updated on UI/UX design principles, trends, and emerging technologies.

Requirements

- Bachelor's degree in Graphic Design, Interaction Design, HCI, BTech, BSc or related field.
- Proven experience as a UI/UX Designer with at least 2 years of experience.
- Strong portfolio showcasing a range of design projects and process.
- Proficiency in design tools such as Adobe Creative Suite, Sketch, Figma, or similar.
- Solid understanding of UI/UX design principles, methodologies, and best practices.
- Excellent communication and collaboration skills, with the ability to present and explain design decisions.
- Ability to receive and incorporate constructive feedback.
- Strong problem-solving skills and attention to detail.
- Experience working in an agile development environment is a plus.

Hiring organization

Outshade Digital Media Pvt Ltd

Job Location

Remote work from: Hyderabad, Telangana.

Date posted

February 8, 2024

Benefits

- Competitive salary commensurate with experience.
- Health insurance coverage.
- Opportunities for professional growth and advancement.
- Dynamic and collaborative work environment.
- Exposure to diverse projects and clients across different industries.

How to Apply

Interested candidates are invited to submit their resume and portfolio to hr@outshade.com. Please include a brief cover letter outlining your interest in the UI/UX Designer position at Outshade and why you believe you would be a great fit for the role. Be sure to indicate your willingness to commit to a minimum duration of 1 year with the company.

Join Outshade and be part of a dynamic team dedicated to creating exceptional digital experiences that drive success!
